CATHOLICS IN COALITION FOR JUSTICE AND PEACE

CCJP SUNDAY SEMINAR

SUNDAY 18th August 2019

10.00 am – 12.00 noon

Mercy Congregational Centre, 6 Victoria Road, Parramatta

Scientia Professor Martin Green

Solar cells; silicon solar cells; photovoltaics

Martin Green is Scientia Professor at the University of New South Wales, Sydney and Director of the Australian Centre for Advanced Photovoltaics, involving several other Australian Universities and research groups.

His group's contributions to photovoltaics are well known and include holding the record for silicon solar cell efficiency for 30 of the last 34 years, described as one of the "Top Ten" Milestones in the history of solar.

Recently he has been raising awareness of the many jobs that could come from mining and exporting other minerals used to make steel, glass and batteries for renewable energy.

Come along and bring interested friends and family with you.

All are welcome.

Payment of \$10 is appreciated.

Morning tea will be provided.
