Watch the documentary:
Guarding the Galilee

Filled with stories from the front lines of the proposed Queensland Adani coal mine, *Guardians of the Galilee* captures the raw beauty of the Queensland outback, where Adani's mine threatens essential water resources, Indigenous land, the Great Barrier Reef and increased climate change.

Presented by Queensland born actor Michael Caton, *Guarding the Galilee* is a 30 minute documentary on the battle to stop the biggest coal mine in Australian history, Adani's Carmichael project—5 times the size of Sydney Harbour.

The award-winning documentary team captures the beauty of the Queensland outback, where Adani's mine threatens vast destruction.

Find out what mining billionaire Guatam Adani has planned for Australia.
