

Cosmic Images of God

In this session we will be reflecting on passages from "The Divine Milieu" in which Teilhard shares with us the living presence of the Divine that he found Incarnate in Matter.

We will also consider how this vision can influence how we image and interact with God and the world in our everyday lives.

Presenter:
Kathleen Duffy SSJ PhD

*The cosmos itself
participates in
ongoing creation,
redemption and
transformation.*

*There is a spirit embedded in and
animating everything in the
universe.*
