A word From Mike:

What a month for evolution. The awards night, InterKLIK challenge and the inductions for our new evolutionaries. It was so amazing to see so many evolutionites at these events. If you haven't yet seen the KLIK challenge video it's on youtube - just search InterKLIK challenge and you can watch it. To be able to recognise so many evolutionites at the awards night was so inspiring. Special mention must go to our 3 trophy winners Sophie, Darren and Wilman. This week was the winter solstice so we have just broken through the shortest day of the year. Well done to all of you for proving that winter does not get in the way of evolution training.
