

Have you ever been to an Events Cinema Gold Class movie session?

Well here's your chance!

Welcome to Evolution's "**Love my 6am**" Referral Program, where it's much more rewarding to keep fit with your friends.

If you introduce a friend to Evolution and they love it so much that they, just like you, become a member, you'll both receive an Events Cinema Gold Class movie voucher.

To get them started on their **Free Week Trial**, just visit

It's that easy, and the more friends you refer the more rewarding it is to train with them.

Love your 6am, keep fit with a friend & be rewarded!
